The other verses

2 Thus, in the universe of mind,
Is felt the law of love;
The charity both strong and kind,
For all that live and move.

3 In this fine sympathetic chain
All creatures bear a part;
Their every pleasure, every pain,
Linked to the feeling heart.

4 More perfect bond, the Christian plan
Attaches soul to soul;
Our neighbor is the suffering man,
Though at the farthest pole.

5 To earth below, from heaven above,
The faith in Christ professed,
More clearly shows that God is love,
And whom he loves is blessed.
