The other verses

2 If up to heaven's ethereal height,
Thy prospect to elude, I rise,
In splendor there supremely bright,
Thy presence shall my sight surprise.

3 Thee, mighty God, my wondering soul,
Thee, all her conscious powers adore,
Whose being circumscribes the whole,
Whose eyes the universe explore.

4 Thine essence fills this breathing frame;
It glows in every vital part,
Lights up our souls with livelier flame,
And feeds with life each beating heart.

5 To thee, from whom our being came,
Whose smile is all the heaven we know,
Inspired with this exalted theme,
To thee our grateful strains shall flow.
