Fa- ther of light! con- duct our feet Through

| d' - s - l - fe - | s - - - - - t - |
life's dark, dangerous road; Let

| d' - l - r' - t - | d' - l - t - s - |
each advancing step still bring Us

nearer to our God.

## The other verses

2 Let heaven-eyed prudence be our guide;
And when we go astray,
Recall our feet from folly's paths
To wisdom's better way.

3 That heavenly wisdom from above
Abundantly impart;
And let it guard, and guide, and warm,
And penetrate each heart;

4 Till it shall lead us to Thyself,
Fountain of bliss and love!
And all our darkness be dispersed
In endless light above.
