## The other verses

2 I cannot understand the way
By which unerring wisdom leads;
Nor do I know for what to pray,
Unconscious of my deepest needs.

3 Thou, Whose almighty power upholds
The stars that in their courses move, —
Whose eye creation's need beholds
To prompt the outflow of Thy love; —

4 Teach me in calm content to live
'Mid all the changes life contains,
Assured that, love and wisdom give
The blessing that for aye remains.

5 And in the darkness and the light,
And in the gladness and the pain,
Make me to know that all is right,
And every loss my truest gain.
