souls delighted share, Too

high for sordid minds to know, Who

on themselves a- lone bestow Their

The other verses

2 By thee inspired, the generous breast,
In blessing others only blest,
With kindness large and free,
Delights the widow's tears to stay,
To teach the blind their smoothest way,
And aid the feeble knee.

3 O God, with sympathetic care,
In others' joys and griefs to share,
Do thou our hearts incline;
Each low, each selfish wish control,
Warm with benevolence the soul,
And make us wholly thine.
