The other verses

2 I want a godly fear,
A quick-discerning eye,
That looks to thee when sin is near,
And sees the tempter fly;
A spirit still prepared,
And armed with jealous care,
Forever standing on its guard,
And watching unto prayer.

3 I want a true regard,
A single, steady aim,
Unmoved by threatening or reward,
To thee and thy great name;
A zealous, just concern
For thine immortal praise;
A pure desire that all may learn
And glorify thy grace.
