The other verses

2 What mercies has this day bestowed!
How largely hast thou blest!
My cup with plenty overflowed,
With cheerfulness my breast.

3 Now may sweet slumbers close my eyes,
From pain and sickness free;
And let my waking thoughts arise
To meditate on thee.

4 So bless each future day and night,
Till life's fond scene is o'er;
At length, to realms of endless light
Enraptured let me soar.
