The other verses

2 If we must die, O let us die
In peace with all mankind,
And change these fleeting joys below
For pleasures all refined.

3 If we must die, — as die we must, —
Let some kind seraph come,
And bear us on his friendly wing
To our celestial home!

4 Of Canaan's land, from Pisgah's top,
May we but have a view!
Though Jordan should o'erflow its banks,
We'll boldly venture through.
