The other verses

2 From all eternity, with love
Unchangeable, thou hast us viewed;
Before these beating hearts did move,
Thy tender mercies us pursued:
Ever with us may they abide,
And close us in on every side.

3 In suffering be thy love our peace;
In weakness be thy love our power;
And when the storms of life shall cease,
O God! in that important hour,
In death as life be thou our guide,
And bear us through death's whelming tide.
