The other verses

2 Free us from death's terrific gloom,
And all the fear which shrouds the tomb;
Heighten our joys, support our head,
Before we sink among the dead.

3 May death conclude our toils and tears!
May death destroy our sins and fears!
May death, through Jesus, be our friend!
May death be life, when life shall end!

4 Crown our last moment with thy power —
The latest in our latest hour;
Till to the raptured heights we soar,
Where fears and death are known no more.
