to the deep go down, And

| l - - s f - m - | r - d - t, - m - |
trace the wonders of thy ways, Where

| r - d - d - t, - | d - - - |
rocks and billows frown.

## The other verses

2 For many a fair majestic sight
Hath met their wandering eyes,
Beneath the streaming northern light
Or blaze of Indian skies.

3 If glorious be that awful deep,
No human power can bind,
What then art thou, who bid'st it keep
Within its bounds confined!

4 Let heaven and earth in praise unite,
Eternal praise to thee,
Whose word can rouse the tempest's might,
Or still the raging sea!
