issues from the throne of love, Whose

The other verses

2 In living streams behold that tide
Through Christ the rock profusely burst;
And in his word, behold supplied
The fount for which our spirits thirst.

3 The pilgrim faint, who seems to sink
Beneath the sultry sky of time,
May here repose, and freely drink
The waters of that better clime.

4 And every soul may here partake
The blessings of the fount above;
And none who drink will e'er forsake
The crystal stream of boundless love.
