time, That long expected,

| f - m - r - - - | d - - - r - m - |
blissful day, When men of

every name and clime The

glorious gospel shall obey.

The other verses

2 The word of God shall firm abide,
Though earth and hell should dare oppose;
The stone cut from the mountain's side,
To universal empire grows.

3 Afric's emancipated sons
Shall shout to Asia's rapt'rous song,
Europe, with her unnumbered tongues,
And western climes the strain prolong.

4 From east to west, from north to south,
Immanuel's kingdom shall extend,
And every man, in every face,
Shall meet a brother and a friend.
